JOSHUA ADAM SCHULTE,

Petitioner,

**DECLARATION OF  
JOHN HAYES**

- against -

WARDEN OF METROPOLITAN DETENTION  
CENTER (MDC),

Civil Action  
No. 22-cv-766 (EK)

Respondent.

-----X

Pursuant to 28 U.S.C. § 1746, I, John Hayes, hereby declare as follows:

1. I am currently employed by the Federal Bureau of Prisons (“BOP”), a component of the U.S. Department of Justice (“DOJ”), as a Legal Assistant at the Legal Department of the Metropolitan Detention Center, Brooklyn (“MDC Brooklyn”). I have been employed by the BOP as a Legal Assistant since July of 2023. In my capacity as a Legal Assistant, I am familiar with the BOP’s administrative exhaustion requirements for inmates seeking to administratively exhaust non-tort grievances under the Administrative Remedy Program (“ARP”), including the system by which BOP maintains official records of such ARP grievances. I have access to numerous records regarding federal prisons, including, but not limited to, records maintained on the BOP’s computerized database SENTRY. I am specifically familiar with records pertaining to inmate Joshua Schulte, Register No. 79471-054, Petitioner in the above-captioned action. These records are maintained in the ordinary course of business at MDC Brooklyn, as well as at other federal correctional institutions.

2. I base this declaration on my personal knowledge as Legal Assistant.

3. I submit this declaration in support of Respondent’s status report to the Court.

### **Relevant Process for Exhausting an Administrative Grievance**

4. The ARP is a three-tiered, formal process that is available to inmates for review of any issue which relates to any aspect of their confinement. 28 C.F.R. § 542.10. An inmate must initially attempt to informally resolve issues with institutional staff. 28 C.F.R. § 542.13(a). If informal resolution fails or is waived, an inmate may submit a formal request (a “BP-9”) within twenty days of the date on which the basis for the BP-9 occurred, or within any extension permitted. 28 C.F.R. § 542.14. An inmate who is dissatisfied with the Warden’s response to his BP-9 may appeal to the BOP Regional Director by submitting a BP-10 form (“BP-10”) within twenty days of the date the Warden signed his response. *See* 28 C.F.R. § 542.15(a). The inmate may then appeal to the BOP’s Office of the General Counsel by way of a BP-11 form (“BP-11”) within thirty days from the BOP Regional Director’s signed response. *See id.* The BP-11 is the final administrative appeal. *See id.* If responses are not received by the inmate within the time allotted for reply, “the inmate may consider the absence of a response to be a denial at that level.” 28 C.F.R. § 542.18.

5. Among other functions, SENTRY contains a complete history of administrative remedy filings made by an inmate in BOP custody. This includes filings an inmate might make while incarcerated at any BOP facility, and it shows whether an inmate has filed his requests for a remedy with the Warden, the Regional Office, or the Office of General Counsel. It also shows whether a grievance was addressed on the merits and whether a grievance was rejected for matters of form. Administrative remedy submissions in SENTRY are identified first by a case number; then by an alphabetic designation that shows where the grievance was filed. For example, a grievance filed at the institutional level bears the letter “F.” A Regional Office appeal is denoted

by the letter “R,” and the final appeal, to the Office of General Counsel, is denoted by the letter “A.”

6. SENTRY reflects whether an appeal was rejected, as indicated by status code “REJ,” and contains the reason (or reasons) for a rejection of an appeal. SENTRY also reflects whether an appeal was denied, as indicated by status code “CLD” and status reason “DNY.”

7. An appeal that has been rejected can be resubmitted without prejudice. An inmate complaining of conditions that could be reasonably characterized as ongoing or chronic has no limit on resubmission following a rejection. *See* 28 C.F.R. § 542.17(a)-(b).

#### **Petitioner’s Relevant Administrative Exhaustion History**

8. I am aware that Petitioner has filed the above-captioned habeas petition pursuant to 28 U.S.C. § 2241, challenging the conditions of his confinement at MDC Brooklyn. Among his complaints are allegations of: (a) “sleep deprivation” as a result of bright lighting remaining on at all hours of the day; (b) “constant sound played through speakers” throughout the day; (c) “starvation” because he claims he is not being fed regularly; and (d) “commissary restrictions” compared with MDC Brooklyn’s general population.

9. I reviewed Petitioner’s ARP grievance history. I have identified all grievances filed from October 18, 2021 (the date that Petitioner entered MDC Brooklyn’s custody) through August 31, 2023 concerning this facility which could fall within one of the four categories listed in paragraph 6. Exhibit A of this Declaration contains a copy of Petitioner’s Administrative Remedy Generalized Retrieval Report, which is current through August 31, 2023.

10. I have determined that Petitioner filed: (a) two complaints concerning lighting; (b) one complaint concerning sounds from the speakers; (c) one complaint concerning his access to food; and (d) seven complaints concerning his commissary access.

**Petitioner's Grievance History as to Lighting Complaints**

There are no additional entries indicating that Petitioner proceeded to the BP-10 stage of the ARP.

13. Petitioner filed a grievance under Remedy ID No. 1115217-F1. According to the entries for this grievance, a BP-9 was received by the facility on March 30, 2022 regarding the following complaint: "REPLACE LIGHT SWITCHES." This grievance proceeded to the BP-10 stage under Remedy ID No. 1115217-R2, and was received by the BOP Northeast Regional Office on April 20, 2022. This BP-10 was rejected on April 20, 2022 because, as indicated by status reason "LEG," the form was not deemed legible. However, as indicated by status code "RSR," Petitioner was permitted to resubmit his appeal in proper form within ten days of the date of the rejection notice. There are no additional entries indicating that Petitioner resubmitted his BP-10.

**Petitioner's Grievance History as to Access to Food**
